

2017 Catalogue

Welcome to our new look catalogue for 2017, featuring a range of plant species chosen to suit the environments of Southland and Otago for farm forestry, riparian planting, and shelter applications.

We would like to introduce Edendale Nursery Manager, Peter Nisbet. Peter started in September 2016. He has a background in nursery production and farm and rural landscape planning and design, most recently in the Central North Island.

Peter and his nursery team look forward to assisting you in 2017. Please feel to call them to discuss your requirements
